

FS and Areas of Mutual Interest

Issue:

What do you look for when you look for impact, sustainable effects, of FS?

What happened?

We talked about what is needed to sustain impact and what the role of us as a facilitator is in the follow up.

Some elements in the follow up that we consider important are:

- you need to work on structures
- be professional enough to play the role of linker between initiative
- a "champion" (the sponsor) is needed to authorize and sustain things going on
- you have to look at "the bigger picture", the context of the FS
- but also walk for the little steps

make an explicit memory local partnerships training

write thing up. create links

⇒ you have to do things to keep the momentum going.

Examples of effects:

Effects: new committees, new FS, partnerships, plans realized, people get a voice.
